Sir:

In a communication dated June 22, 2007, the Office of Petitions issued a Decision dismissing the Petition filed May 3, 2007, under 37 CFR 1.78(a)(3) to accept an unintentionally delayed claim for benefit of priority under 35 USC 120 and 35 USC 365(c) to PCT Application No. PCT/US98/03933. The Decision cited failure of the Petition to include the reference required by 35 USC 120 and 37 CFR 1.78(a)(2)(i).

In response, the required reference is presented concurrently herewith in a Supplemental Amendment, in which page 2, last paragraph, of the specification is recast to include the relationship of the current application with that of U.S. Application No. 10/492,710, the National Stage of International Application No. PCT/US98/03933 and benefit claim to the provisional applications originally identified.

Favorable reconsideration of this Petition is requested, with appreciation.

To the extent necessary, a petition for an extension of time under 37 C.F.R. 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper,

**Application No.: 09/845,066**

including extension of time fees, to Deposit Account 500417 and please credit any excess fees to such deposit account.

Respectfully submitted,
